

# Mayerson JCC DEEP END ABILITY TEST\*

\*The Deep End test is offered to children 12 and under.  
Upon passing the test, child will be permitted to swim in the deep end of  
Outdoor Pool (diving well), Indoor Lap Pool and Current Channel.  
*(Children 12 and under may not swim in these areas without passing test.)*

Must be able to complete one of the following:  
(Please check the appropriate box once completed.)

- Jump off the side of the deep end of the Outdoor Pool (closest to the diving board) and swim under the rope to the ladder on the shallow side without stopping.

or...

- Jump off the Outdoor Pool diving board and swim to the peninsula, then swim back to the side ladder without stopping.

or...

- Jump into the lap pool (by handicap lift chair) and swim to the deep end ladder without stopping.

\_\_\_\_\_ has passed the deep  
end test on \_\_\_\_\_ and received his/her wrist band and/or stamp.
